

Important information for English IV students and parents:

All English IV students should be finding a community mentor for the Career Shadowing part of their Senior Capstone Project. Mentor information and forms can be found at www.themanateehighschool.org under *Senior Capstone Project*. Students should print out the mentor form, have their mentor sign the form, and then return this form to their English teacher.

Parents can help by reminding students who have not kept up-to-date with the Capstone deadlines to decide on a mentor for Capstone in the next week. Please contact Patti Hartman, the Senior Capstone Coordinator (714-7300 x- 2206), with any questions.
